

## Guidelines for the Online Felicitation Function for Athletes

### Instructions to follow:

- 1) Charge your Phone/Laptop in full capacity so that it lasts throughout the online function.
- 2) Make sure you have a strong network signal and internet connection, so you don't freeze or stuck during the online function.
- 3) Always keep the microphone in mute and only unmute when you speak. It is just to make sure that your background noise doesn't distract everyone else in the online function.
- 4) Always follow the instructions given by the announcer/organizer during the online function.

### Spread the word!!

- 1) Ask your parents to join. This function is also to honour your parents along with you.
- 2) Ask your coach, club members and training mates to join the function.
- 3) Send the zoom link and TNAA YouTube channel link to your friends to watch it live. Let them enjoy your success.
- 4) Share the zoom link and TNAA YouTube channel link to your friends to watch it live. Share it also on your social media, so that your social media friends and well wishers can join the function.
